 Ministry Flow Chart ~ 2017

Share Thy Bread

We are continuing our outreach to the community through *Share Thy Bread*. Every week our members are going out loaded with food from Manna Foodbank and generous members and distributing to pockets of needy individuals. Once or twice a month we get calls from a person or family in a crisis situation whereas we run boxes of food to tide them over.

Tuesdays through Thursdays and some Fridays you will find us loading

our vehicles and taking off in various directions to waiting community members who have now come to expect us on certain days and times. From fresh foods to boxed and canned foods to beverages to personal care items and cleaning solvents, we deliver a wide variety of needful things.

If you know of an area that is needy i.e., a mobile home park or any low-income area, please contact Bev Cook, 704-692-6667, who coordinates the deliveries.

Prayers are always an integral part of this ministry.

The Journey

The Joyful Sound

Blessed is the people that know the joyful sound: they shall walk, O Lord, in the light of thy countenance.

Psalm 89:15

Imagine a dimly lit room. You can barely make out shapes of things around you. Somewhere in that room, your Father is waiting for you. Suddenly His voice rings out and joyous relief floods your soul. Even though you cannot see where you are going, the sound of His voice guides you directly into His arms.

Allow yourself to tune in to that precious voice today.

Be Still and KNOW that I am GOD.

Missionaries to Turkey

Trey & Vicky are so very thankful for the generous giving and prayers that enabled them to purchase a vehicle this month. The car has already helped God's work in a significant way. After Sabbath worships, students are taken home by the Browns in fifteen minutes versus the hour or more by public transportation. They have helped a Brazilian couple around the city to find a home. Many opportunities await them that otherwise may not have been available due to lack of timely transportation.

The Browns have befriended people from Iran, Burundi, and from Africa who are convicted of the gospel and specifically the Sabbath. Some

have taken a stand and others have not, but Trey & Vicky are there for them encouraging them every step of the way.

They are so encouraged to have two families working closely with them. The small group of workers the Browns started out with has now grown to 13. They pray and fast every Friday for the people they are surrounded with everyday and look for opportunities to share the message.

They do have a resident permit to stay in the city of Bursa, but it is time limited to five months. The best way to get a long-term residential permit is to own a home, which is what their plans are. They are entreating our prayers and finances to help them meet this criteria.

To be continued. . . .

Devotional Thoughts

Lorna Dever

Recently I read an interesting passage during my devotions. It was particularly of interest to me in light of the fact that I always hear murmurings about the Morgan Center being closed so many Sabbaths a year for the Yard Sale. I decided since we are facing that challenge in August it would be a good time to share some thoughts from the pen of inspiration.

Use hospitality one to another without grudging. As every man hath received the gift, even so minister the same one to another, as good stewards of the manifold grace of God. 1 Peter 4:9, 10

When the spirit of hospitality dies, the heart becomes palsied with selfishness.

“A lover of hospitality” is among the specifications given by the Holy Spirit as marking one who is to bear responsibility in the church. And to the whole church is given the injunction: “Use hospitality one to another without grudging...” 1 Peter 4:9, 10.

These admonitions have been strangely neglected. Even among those who profess to be Christians, true hospitality is little exercised. Among

our own people the opportunity of showing hospitality is not regarded as it should be, as a privilege and blessing. There is altogether too little sociability, too little of a disposition to make room for two or three more at the family board, without embarrassment or parade. Some plead that “it is too much trouble.” It would not be if you would say: “We have made no special preparation, but you are welcome to what we have.” By the unexpected guest a welcome is appreciated far more than is the most elaborate preparation....

Christ keeps an account of every expense incurred in entertaining for His sake. He supplies all that is necessary for this work. Those who for Christ's sake entertain their brethren, doing their best to make the visit profitable both to their guests and to themselves, are recorded in heaven as worthy of special blessings.

As you open your door to Christ's needy and suffering ones, you are welcoming unseen angels. You invite the companionship of heavenly beings. They bring a sacred atmosphere of joy and peace. They come with praises upon their lips, and an answering strain is heard in heaven. Every deed of mercy makes music there.

Back by Popular Demand Sustainable Preparedness Seminar

If you were here a few years ago, you will certainly remember a weekend seminar our church hosted for Craig and Nancy Meissner and their children, Nick & Lisa called Sustainable Preparedness. We are so excited to announce that they will be returning the weekend of September 16 - 17.

On Sabbath, they will speak at both the 11:00 a.m. Worship Hour and then again from 2 - 4 p.m.

On Sunday, their presentations will be held from 10:30 a.m. - 3:30 p.m. You will need to bring a sack lunch that Sunday.

Their topics are varied all relating to things we should be doing now to prepare in the event of a crisis of economical impact, natural disaster, etc.

They will have resource material with them on gardening, canning, hydrotherapy, and so much more. We hope you will not only plan now on attending, but bring people you care about who could use this vital information.

The Meissner's website is [www. EndTimePreparedness.com](http://www.EndTimePreparedness.com).

You can also contact Bev Cook, 704-692-6667 or cookbev09@gmail.com, if you have questions.

Church Co-op Returns

Our Tryon Church food Co-op is about to begin again under the coordination of Tim & Jamie Grindley and Bev assisting. We were disappointed when Something Better, our co-op resource, closed their trucking operations. However, we have been informed that Country Life Natural Foods will now pick up their operations and they will be our new resource. We will keep the same schedule and basically the same foods.

You can review their products at www.clnf.org. If you would like a free catalog, please contact the Grindleys. Please order through the Grindleys (tjgrindley@yahoo.com).

If you have questions, please contact Bev until the Grindleys are more familiar with the procedures however they will be taking the next orders.

Matthew 25 Farmer’s Market

Lorna Dever

Tryon Farmer’s Market will be moving to the parking lot next to the Tryon Train Depot, Thursday, August 3. The new market hours will be from 4:30 to 6:30 p.m. on Thursdays.

God has been blessing us with enough produce each week to keep the people coming to see what we have. Although our tomatoes have not ripened yet, Louise and Jack Story have been providing us with abundance from their garden, which is greatly appreciated. We would still like an egg provider! We run out of eggs every week way before closing. We are also looking for people willing to provide any extra produce you might have.

We have a produce stand at the Thrift Store as well, so you can drop items there whenever they are open. We don’t have enough eggs and produce to keep that stand stocked.

Thanks for anything you can do to help our Ministry

AV Ministry

Wanangwa Hartwell

Hello! Thank you for your attention at the end of a long church business meeting on July 9th. As I mentioned at that time, we really appreciate your patience as we adjust to our new roles in the AV department. During this time of transition, if you have suggestions for how we can improve our services, especially during the worship service, please see Ronnie, myself, or our terrific assistant, Alex West.

One thing we are hearing from people is that the hearing assistance devices are very helpful. For this reason, we are considering purchasing

a few more. They run to about \$100/ device, so we will need some help. If you are interested in making this possible, please mark your contribution to the AV department on your tithe envelope. God bless and have a wonderful August!

Wanangwa Hartwell

“In practical ways, we make His love a reality to others when we give them our undivided attention, show interest in what they think and do, and share life with them...When our lives reflect the reality of God’s love, we leave a lasting legacy for others.”

Join Team Jazzy ~ School Dreams Desirée Magnant

One of our very own kids is heading to Fletcher Academy and needs our help. Jazzy began attending Tryon Seventh-day Adventist School two years ago in the seventh grade and recently graduated. It is her dream to attend Fletcher Academy.

Jazzy's first experience with Adventists was through our Vacation Bible School and with the loving attention of Nancy Franks began to

attend our church and finally became a baptized member.

We are looking to help Jazzy afford a Christian education, and have nearly reached half of our goal through generous donations. Would you consider joining Team Jazzy by making a donation?

Donations can be monthly, or a one time amount. If you feel called to support, please reach out to Desiree Magnant at 386-481-8215 or via email at Desiree5472@hotmail.com today!

August, 2017

Here is a lesson for the disciples of Christ through all time, not to exclude themselves from society, renouncing all social communion and seeking a strict seclusion from their fellow beings. In order to reach all classes, we must meet them where they are; for they will seldom seek us of their own accord. Not alone from the pulpit are the hearts of men and women touched by divine truth. Christ awakened their interest by going among them as one who desired their good. He sought them at their daily avocations and manifested an unfeigned interest in their temporal affairs. He carried His instructions into the household of the people, bringing whole families in their own homes under the influence of His divine presence.... ML 186

Christ is waiting with longing desire for the manifestation of Himself in His church. When the character of Christ shall be perfectly reproduced in His people, then He will come to claim them as His own.

It is the privilege of every Christian not only to look for but to hasten the coming of our Lord Jesus Christ, (2 Peter 3:12, margin). Were all who profess His name bearing fruit to His glory, how quickly the whole world would be sown with the seed of the gospel. Quickly the last great harvest would be ripened, and Christ would come to gather the precious grain. COL 69

Bible Experience

Wanangwa Hartwell

Greetings! We've recently learned that the book of Esther has joined the book of Daniel for this year's Pathfinder Bible Experience. If you (or your kids) are interested in studying these two books with us this fall, please begin reading them now in the New King James Version. We will also be studying the introduction to each of these books in the SDA Bible Commentary.

How well do you know these two books already? Here are some questions from the first three chapters of each book to test yourself. Answers will be in the next Church Newsletter.

Who was the master of Nebuchadnezzar's eunuchs?

In what language did the Chaldeans reply to Nebuchadnezzar regarding his dream?

Fill in the blank: According to Daniel, the dream is _____ and the interpretation is _____.

What three things are listed stating how the fire had no power on the bodies of the three men in the furnace?

True or False: King Ahasuerus displayed the vast wealth and the splendor and glory of his kingdom for 365 days.

What was Esther's father's name?

On which day and month were the Jews to be destroyed?

Fill in the blank: So the _____ and _____ sat down to drink, but the city of Shushan was _____.

Yellowhammers

In 1946 Julian Huxley noticed that yellowhammers sing in different dialects. You can now contribute to a survey which allows comparison between yellowhammers in UK and New Zealand where they were introduced in the nineteenth century. Beethoven is said to have copied the yellowhammer's song for the first notes of his fifth symphony but he did not record which dialect of German it was using or whether it translated as "A little bit of bread and no cheese." A good place to look would be on the Cheddar reserves, Black Rock or Long Wood for example.
