

Handbell Needs

Wanangwa Hartwell

Do you enjoy it when the church school kids play the handbells? We have had the current set of handbells for around 17 years. While handbells never “go bad,” they do need loving care and attention, and occasional refurbishing.

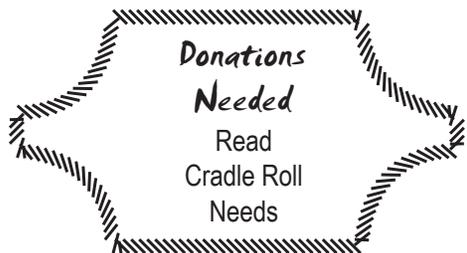

What is refurbishing? It’s the process the bell company uses to polish and repair the bells to make them like new again. We are fortunate to have bells in relatively good condition, thanks to extra care taken over the years, but they are overdue for this special treatment.

The total cost for refurbishing is around \$1800. Don’t let the number scare you -- it covers the cost of all repairs and rejuvenating all 37 bells, plus special shipping and handling for them. In the end, we pay roughly \$50 a bell...well worth the price to have them

like new (you can’t buy all new ones for that).

Under our current circumstances, the only money available for the bells is taken up in a love offering after each concert. Since there are other costs (gloves and other accessories, etc.) associated with handbells, this is insufficient for the refurbishing cost. We are currently in the hole by about \$200 due to a much needed purchase of new tables and foam pad covers last summer.

So...if you are interested in helping toward the bell fund, please mark your check or tithe envelope “School Handbell Fund” and see that it gets to Pam Green, School Treasurer. Thank you in advance for your support -- the kids love the bells and we want these wonderful instruments to be around for years to come.

Once again Nosoca Pines Ranch is offering the program called *Neighborhood Outreach* where we have the opportunity to reach out to our neighbors in the community and also to help church members who are interested in summer camp but cannot afford to attend due to finances.

Church and Camp team together and make this happen so it’s no cost to the family.

Here is what you do: Fill out an application and return it to Lorna Dever. You CANNOT fill out a Registration online!

Traditional Camps, Regular Fee is \$245. Church pays \$122.

Specialty Camps, Regular fee is \$276. Church pays \$138.

Funds are limited, so sign up early!

If you would like to sponsor a specific child, please contact Lorna.

If you are willing to help make this possible again this year, please make a donation to “Community Services’ Camp.” Last year we were able to sponsor six young people from our church and community, but we cannot send anyone unless donations come in for the Camp Fund!

Pathfinders

Bob Shepard

This month we helped out with the Matthew 25 singing, praying, and meeting the residence at White Oak. We also had our inspection and receive 100%.

We have been working on our Bridge honor. We also went on a Pathfinder ski trip where everyone had a great time. We had some snowboarders and the others skied. They can’t wait to go again.

Last weekend (February 17 - 19) was our backpacking trip. We went to Ellicott Rock. The theme of the backpacking trip was waterfalls. We hiked to Isaqueena Falls, Licklog Falls, PigPen Falls. We also visited Stumphouse Tunnel. The Pathfinders hiked approximately 13 miles. When we got home Sunday we washed and vacuum the van. We finished our adventurous with a trip to Scoops ‘n More.

Cradle Roll Needs

Cradle Roll is needing new cabinets costing \$800. If you are looking for an investment for eternity, you might consider this opportunity. Jesus is helping these little ones to know Him even at their tender age, so we want their room to be representative of a place where our King meets with our babies!

Church Ministries

God has blessed the Tryon Seventh-day Adventist Church and School with a positive presence in this very community – ALL of it is to HIS HONOR AND GLORY!

The various ministries of this congregation are focused on spreading the gospel and helping others. The ministries aren't just focused on the poor, but the poor in spirit and those wanting to learn about a better life, be it health, education, or everlasting life.

Each of the ministries has their own niche, leaders, helpers, and resources. But ALL are for glorifying God. I feel sure the last thing any of us would want to do is give Heaven a "black eye" by our presence, actions, words, or life.

There are plenty of opportunities to help the ministries of our church. Some of us feel enthusiastic and effective in one ministry, but not necessarily in another. This does not mean the other

Matthew 25 Garden Harvest

Desiree Magnant

Matthew 25 Gardens Harvests over 80 Gallon Bags of Produce To Date!

When we sow the seeds He makes them grow! Our little growboxes have been busy producing kale, salad lettuces, and broccoli for sharing.

ministries aren't as important, just not your preference. Each ministry has passionate, dedicated helpers that believe in the good of that ministry. Serving or volunteerism is the backbone of Christian human nature.

If you are already supporting your church with your time and talents and have more to share, then why not consider being a beacon of light IN the community. Someone with a strong, grounded faith can work along side others with one of the many worthy organizations in Polk County. This is an effective way to be a witness for God while helping others.

We all have our own strengths and weaknesses. Don't try to limit God by saying you can't do something He has called you to do. If He calls you, He will give you what you need to succeed and bring Praises to His Name. Pray about it. Don't pray that God gives you what you want to do, instead pray that He will lead you in ways to Honor Him and you will receive the biggest blessing!

greenhouse to use for more varied plants in the growboxes.

Our next plans for outreach include having a table at the Tryon Farmer's Market where produce can be sold for sustaining the Matthew 25 Ministry, sharing health information, and offering free screenings. If you feel called to serve please contact Lorna Dever or Desiree Magnant.

Missionaries to Turkey

Trey and Vicky were encountering a few challenges getting their resident permit renewed since the officials could not find their original paperwork. They arrived at the port early just to make sure they were on time. Two of their friends who speak much better Turkish than them went with them. The authorities at the gate were not encouraging.

As the Browns related their story, the official quickly consulted his boss for help. They were told to stand to the side and wait for the boss. When he arrived, he motioned them over to look through their documents. He seemed stern but thankfully, he was softer than they thought and very helpful. Everything was in order, but they had to pay a fine and then could be on their way.

They arrived at their country where the border patrol entered their information into the computer. He

then stared at the screen for some time looking perplexed and motioned for help. As anxiety knocked at Trey's heart, he began to pray. Suddenly, the official shrugged his shoulders as if bewildered, stamped their passports and sent them through.

On the return trip, the same man entered Vicky's information and once again seemed to be confused. As before, he stamped the passport and they were on our way. So once again, our Lord came through for the Browns smoothing their way before them.

They are now back in Bursa, Turkey. They continue to progress in their language skills and making new Turkish friends.

Exciting recent news is that the \$15,000 goal to purchase a vehicle for them has been met. Thanks be to God who used our church to achieve a part of that goal. We certainly do have generous members at Tryon. The Browns thank us from the bottom of their hearts.

Thrift Store News

Roberta Amoroso

A gentleman came into the store and picked up the book *Hacksaw Ridge* that we had sitting on the desk.

“This is a fantastic book,” he said.

“Did you happen to see the movie?” we asked him.

He had not seen it, but had heard about the Desmond Doss story. “I read the book and gave it to my wife and she read it. Then my son came by saw it on the table picked it up, sat down, and he proceeded to read it.

“God was with this man,” he said.

We talked a bit more of God, His goodness and mercies. We talked about America and how things are changing so rapidly. He said he believed Jesus’ second coming was sooner than any of us could imagine. We agreed wholeheartedly.

We gave him the little booklet *The Vanishing Protestant* and asked him to please read it and come back and tell us what he thought of it. We invited him and his wife to come to church and worship with us and stay for a wonderful vegetarian meal after the service. He said, “We just might do that.” Now we wait and pray.

There are always opportunities to witness in the Thrift Store. Sometimes it’s just a hug and a smile. Sometimes it’s through prayer for someone who has requested it or at our suggestion. We always have literature to give away.

So this brings me to the topic of my resigning from the manager position. It’s with a sad heart and with much prayer that I handed in my resignation letter to the pastor and church board. It has been an honor and privilege to work for God’s church in this position. Even though I was paid, it was never far from my mind that this is a ministry.

My heart is filled with appreciation to the volunteers who I’ve had the privilege to work beside. They are the ones that have given so much to God’s work in the store – the countless hours they have put in as volunteers! Thank you for your dedication to God, your church, and this ministry. Thank you for your friendship over the years. I love each of you and cannot thank you enough for the wonderful times we have had working together. This work will continue because it is God’s store.

The next manager will be just as dedicated and just as passionate for the people of this community! I know because I have prayed for this as our pastor and church board are praying too!

Getting to Know You ~

Chet & Bev Cook

Chet and Bev have been married 34 years, meeting back in 1982 through a mutual friend at Pacific Union College. Bev was going to school there, while Chet was working at St. Helena Hospital near the beautiful Napa Valley, CA.

As soon as they met, Bev was scheduled for a two-month trip to Israel, so they communicated by mail across the world.

They married December of ‘82 and have had an interesting journey together thus far.

They both worked at St Helena for about two years, then onto Adventist Health Systems in Roseville for Bev while Chet worked in an emergency medical clinic there. When a call for help in ministry came from pastoral friends in Colorado, they moved there for another two-year stay where they learned valuable ministry skills.

Then onto Houston, TX to be near Bev’s aging parents where they lived

13 years – Chet managing an office supply center and Bev working as a paralegal and in human resources at a mutual fund firm.

They became deeply convicted of the Biblical health message and God opened the door for a home-based health ministry, full-time. This eventually led them to NC to work more closely with Hallelujah Acres where they developed lifestyle centers for the ministry. They also traveled the country giving Three Days to Health seminars.

They retired from “paid” work in 2013, but still work for God in the church.

They look forward to moving into their newly built house soon, but their eyes are on their heavenly home that God has promised.

Bev’s favorite activity is assisting in Bible studies and Chet loves to study and manage things at home and church as he is very detailed and organized. They love their church family and pray that God will use them in His vineyard until He comes.

Community Cooking Classes

Our church recently partnered with Polk County Extension Office and presented two health classes – The first being *Drink Your Way to Health* and the second, *Fun Foods with a Twist*.

Attendance at the first class was 26 persons from the community and church and 28 the second class. It truly was a team effort with a lot of serving and sharing taking place.

People were very interested in learning how to upgrade their personal health and some making commitments. This is the type of activity we should be

more involved with, rubbing shoulders with community people – some with deep health issues and finding answers in the health message we convey. Many asked when the next class would be and to please contact them. If we can keep these types of activities going – reaching out into the community – we believe interest in their spiritual needs will eventually surface. Then we present Jesus and all He is doing for us and in us. What a beautiful way to love people and win them – The way Jesus set the Example before us. Prayerfully consider becoming involved in our next outreach.

Parents of the Carolina Conference
Elder Gary Moyer

Our Administration here at the Carolina Conference is asking for your help with our upcoming and future camp meetings at Lake Junaluska. There has been an ongoing challenge with families that stay in the housing owned and operated by Lake Junaluska Assembly. There have been many occasions when children (under age 18) are allowed to stay in the lodging without adult supervision. Parents or Grandparents sometimes secure a room for children, and the children are left unsupervised, sometimes for the entire week. As you can imagine, problems arise when this situation is allowed.

We understand that there are not always accommodations available that enable a parent or parents to house all their children in one room with them. In those cases it may be necessary to either make accommodations to rent a house or lodging at a location off of the Junaluska campus.

Lake Junaluska has notified us that they will have to start applying penalties to families that do not cooperate with this request. It is likely that those who do not comply with this will be required to leave the campus immediately, being restricted from using Lake Junaluska accommodations in the future.

In an effort to continue to make camp meeting a pleasurable and safe environment for everyone, and to not jeopardize our camp meeting venue for the future, we are asking for your help in this matter. Thank you in advance, for your understanding and cooperation.

I just want to let you know that on the second Saturday evening of each month we have an open gym at Arden. We begin with vespers around sunset time and then the gym is open to whomever would like to play gymnasium sports.

Church Co-op
Wendy Baker & Lorna Dever

The past several months have seen a gradual decrease in interest for ordering from the Co-op. Several times, we have barely made the minimum order required for shipping of \$450.00. Bev and I have had to step in and order items just to meet the requirement. If this trend continues, we may need to get feedback from the church community on whether this is a service that we should continue.

In the meantime, if you know of a member or someone in the community who may be interested in ordering, please let me know.

If there is something we could improve about the order process, please let me know. There are several things we can't change, but if you have an idea that would make it better, I would love to hear it. Contact Wendy, 828-817-3273, or wendyfit@gmail.com.

Payments are required by Friday following order date in order to fulfill payment obligation to Something Better Natural Foods.

Take advantage of the great prices you get with this service! You won't find prices better any place else!

Orders are due by 8 p.m. on the following Dates:

- February 27, March 27
- April 24, May 22
- June 19, July 17, August 14
- September 11, October 9

Library Corner
Wanangwa Hartwell

Greetings! I'm sure you've noticed the pile of donations stacking up in the church library. Please have patience with me -- it has been difficult to keep up with everything and I'm slowly playing catch up. Rest assured, I appreciate every one of your donations and will get to each in due time.

I am still in the process of getting labels transferred over to the new categories, so not all items have the correct label at this time. If you remove a book from the shelf, either return it to the same shelf or just put it in the book drop -- it is far easier for me to put books away than to find them when they're on the wrong shelf on the opposite side of the room!

Thank you again for your patience and support. Please know that I am keeping the list of titles on the church website as up to date as possible. I hope this helps you find what you need. Please feel free to contact me if you have questions. Text (828-817-0251) or email (wrbraves@gmail.com) are best. God bless!

He Paid a Debt

Submitted by Maxine Malmstrom

He paid a debt He did not owe;
I owed a debt I could not pay;
I needed someone to wash my sins away.
And, now, I sing a brand new song,
“Amazing Grace.”
Christ Jesus paid a debt that I could never pay.

He paid that debt at Calvary.
He cleansed my soul and set me free.
I'm glad that Jesus did all my sins erase.
I, now, can sing a brand new song,
“Amazing Grace.”
Christ Jesus paid a debt that I could never pay.

One day He's coming back for me
To live with Him eternally.
Won't it be glory to see Him on that day!
I, then, will sing a brand new song,
“Amazing Grace.”
Christ Jesus paid a debt that I could never pay.
Yes, Jesus paid a debt that I could never pay.

Kids' Bible Riddle

The answer to last month's riddle was Mount Sinai

I had many locks that don't need a key.

I was far too many for you to count me.

I was never to be shortened, for a vow had been said.

I was a symbol of strength that flowed from the head.

But in a moment of weakness, my secret was out.

I lay all in pieces when she gave the shout.

I am in the Bible - what am I?

What team does this one play for?

This hoverfly in the stripey jersey is *Helophilus pendulus* - the droopy marsh-lover - otherwise known as The Footballer. Not many hoverflies have English names (The Marmalade Hoverfly is an exception) and many are very similar, making identification difficult. Even The Footballer, who looks strikingly distinctive, can be confused with two others. You need keen eyesight or close focusing binoculars to see his full glory.
